The UKPSA Postal League for Practical Shotgun with Slug

The UKPSA Postal League is open to all shooters and is free to enter. It is made up of four rounds with up to 14 stages. These will be simple to set up, with everyday props, screens and apertures. Some of the stages are standard exercises. The league is ideal for a club practice session or as part of a match.

The Postal League is shot to IPSC Shotgun Rules 2017.

You can register for the league via <https://shootnscoreit.com/ipsc/match/6725/>
You may also fill in the score sheet provided for each round and post in your scores or someone from your club can be authorised to enter the scores online, apply to postalleagues@ukpsa.org.

Each round will take place as follows

Round 1 in March & April

Round 2 in May & June

Round 3 in July & August

Round 4 in September & October

Scores will be calculated at the end of each round and results will be posted onto the UKPSA web site and Member's Forum. At the conclusion of round 4 overall winners of each division will be declared.

Divisions recognised are Standard, Standard Manual, Modified, & Open.

Medals will be awarded in each Division as follows. Over 15 entries, 1st to 3rd.

10 – 14 entries 1st & 2nd. 5 – 9 entries 1st only. Less than 5, no medal.

Categories will also be recognised – Junior, Lady, Senior & Super Senior.

Team entries will also be accepted and again it's free to enter. Three or four team members, all shooting the same division, with the best three scores to count. All team members must be from the same club and should shoot all four rounds to achieve the best scores. Please send your team entry via email to postalleagues@ukpsa.org, stating name of team, team members and division or fill in and post team form below.

Competitors may only shoot **one** division for score. Please note that only your first attempt must be used for your official score. However this does not prevent you from re-shooting in another division for a fun score (no need to send it in).

The stages may be shot at any time within the two-month period for each round. A witness, such as the RO, is required to verify the competitor's score.

The stages will be posted out at the start of each round or can be downloaded from SSI. Scores must be submitted to arrive within 5 days of the last day of each round. All the stages are simple to set up and organisers are asked to keep to the measurements given. All targets will be either the **IPSC Full Target, the IPSC Mini Target or the IPSC A4 target**. (A4 target copied below).
